DISCOVERY LXE

2021 CLASS A DIESEL

DISCOVERY LXE 36HQ  
Shown in Platinum

### IN A CLASS OF ITS OWN.

When you think about the full package, what you mean is Discovery LXE. There's virtually nothing lacking in this vehicle. You get power from the Cummins® engine, which can put out up to 450HP with an incredible 1250 lb./ft. torque. Our custom Freedom Bridge chassis can support as much as 43,600 pounds, while still maintaining 55-60 degree turning radius. V-Ride suspension cushions your ride and our 44-foot models also feature the UltraSteer™ steerable tag axle.

You'll find incredible storage underneath, with a 90-inch full slideout bay and can add on a second one for good measure. Stay plugged in with an 8kW Onan® generator with automatic start and access and control all your home's systems with a Firefly MultiPlex system with a 7-inch touchscreen. Your kitchen features Whirlpool® residential appliances, including a French door refrigerator. And driving is a breeze with a digital dash, fully-integrated steering wheel controls and adjustable, suspended pedals. It's everything you want. And so much more.

### CELEBRATING OUR SILVER ANNIVERSARY.

For 25 years, Discovery LXE has been a legend in the motorhome world. It's accompanied thousands of families on their journeys to explore the open road. Many owners love Discovery LXE so much, they're repeat buyers. It's truly become a fixture of their summer vacations, weekend road trips and last minute getaways. Available in three floorplans, the Anniversary Edition includes several features— that are normally options—as part of the standard package. Additionally, a signature, custom interior called "Autograph" was created for this limited edition.

FOR 25 YEARS DISCOVERY HAS LED THE WAY IN INNOVATIONS.

The 2021 Discovery LXE 36HQ is proud to be apart of this award winning legacy. We are honored to be named one of RVBusiness **Top 10 RV for 2021.**

The 2021 Discovery LXE 36HQ is proud to be apart of this award winning legacy. We are honored to be named one of RV News **2021 TYPE A DIESEL MOTORHOME.**

See page 28 for more information

Fleetwood RV and Freightliner Custom Chassis have teamed up to bring you the ultimate in luxury, power and performance. Introducing the newly re-engineered Freedom Bridge® foundation.

Freedom Bridge foundation combines the unrivaled strength and storage capacity of Fleetwood RV's exclusive modular design with the high-performance innovation of a Freightliner chassis—all backed by the nation's largest service support network. The new Freedom Bridge® brings performance and peace of mind together, perfectly.

*Freedom Bridge XCM is the foundation for Discovery LXE model.*

DriveTech rolls together FCCC's latest innovations—like the OptiView all-digital LCD dash display and FCCC's all-new ergonomic steering wheel and column-mounted controls—into one comfortable, easy-to-use driver console.

**INTRODUCING DRIVETECH**—the most advanced display and control system in the RV industry. DriveTech is the first RV driving system to prioritize safety by putting every command in one easy-to-reach location. The all-new ergonomic steering wheel and column-mounted controls are paired with OptiView's all-digital gauge display to create a more automotive-like feel and set the industry standard for luxury RV driving. And it's only from Freightliner Custom Chassis.

**PRIORITIZING DRIVER SAFETY** A recent study reported that 80% of collisions and 65% of near collisions involved some form of driver distraction, often from using electronic devices while driving. DriveTech prioritizes driver safety by streamlining and simplifying controls to help drivers focus their full attention on maneuvering and piloting the coach.

**CONNECTING WITH RV DRIVER EXPECTATIONS** The world is changing. By 2021, more than 90% of cars sold will be connected—equipped with Internet access and a wireless network to share data with devices both inside and outside the vehicle. DriveTech updates the RV driver's station to align with that of the automotive industry, delivering the luxury experience modern drivers expect.

Rated up to 24,000 lbs., V-Ride allows for more luxury amenities, additional cargo capacity and superior roll stability.

**Wedge Tank Design:** Wedge-shaped holding tanks ensure thorough drainage of black and grey water.

**Increased Storage:** Oversized pass-through storage re-engineered with slide rails integrated into the floor, creating more storage space and easier access.

**Maximized Flooring Strength:** Double-thick flooring effectively deadens exterior noise and increases durability.

OptiView is the RV industry's first LED instrument cluster, featuring bright, clear graphics, colors and menus. Bluetooth® connectivity and on-demand operation add convenience and control.

DriveTech's ergonomically-designed steering wheel and easy-to-reach, column-mounted controls turn piloting your RV into a driver-friendly automotive experience.

**Huckbolts:** Aerospace-grade, vibration-resistant fasteners for unrivaled strength and reliability.

### RV OWNERCARE

Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge.

Chassis Warranty provided by Freightliner Custom Chassis Corporation®

### ADDITIONAL FEATURES

**A Premium SACHS® Shocks** increase comfort, safety and dependability. **B I-Beam Construction** achieves a torsion rating that is 30% higher than the competition. **C Dual-Side Fuel Fills** provide high-flow access to the 100-gallon fuel tank from either side of the RV. **D Impressive Towing Capacity** with integrated receiver hitch ratings of 10,000 lbs. and 15,000 lbs., offering a wide range of towing capabilities.\* **E Central Protective Raceway** houses air, hydraulic and electrical lines while providing easy access. **F Michelin® Tires w/Polished Aluminum Wheels** give you on-the-road performance and let you arrive in style.

 Horsepower: 380HP

### DISCLAIMERS

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.
  - GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
  - GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
  - Length measured from front bumper to rear bumper (excludes accessories).
  - Excludes safety equipment and awnings.
  - Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
  - Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

\* UVW and OCCC are found on the label containing the federal certification tag in each RV.  
 †† All 2020 REV Recreation Group motorhomes include a limited one year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

### FLEETWOOD MOTORHOME ASSOCIATION

As a Fleetwood RV owner, you're invited to become a member of the Fleetwood Motorhome Association (FMA). Becoming a member is the perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Visit the FMA website at [www.fma4fun.org](http://www.fma4fun.org) to learn more and join the fun.

### CONTACT US

To locate a dealer near you, visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or call 1-800-322-8216. We can also be contacted at Fleetwood RV Customer Relations, P.O. Box 1007, Decatur, IN 46733.

**IMPORTANT—PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood RV dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood RV has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

YOUR LOCAL DEALER

Explore Your World Like Never Before

About REV Group, Inc.

REV Group® (REVG) is a leading designer, manufacturer, and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. We provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers) and consumer leisure (recreational vehicles). Our diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
